Be One In A Million

Help Build a Temple in Branson

For what are We asking?Only \$1.00

We are asking for one million people to send one dollar to help build
a Messianic temple and learning center in Branson, Missouri.

We believe God has called us at this time and place to be a teaching and learning center
to send forth an army to witness first to the Jew that Yeshua (Jesus) is The Messiah they seek
and also to Gentile believers to join and be grafted into the olive tree of God’s Holy people.

What God has blessed us with:

- Five acres of property, free and clear.
- One 5,000 sq. ft. building on the property being renovated

What is needed:

- A new temple and learning center
(Estimated cost one million dollars.

Easy math: One million people each giving one dollar.)

We have vowed to place our trust in our Lord to complete this project. No mortgages.
And instead of looking for a few big donors we have decided to place our trust in God
to move in the hearts of one million people to donated just one dollar.

Yet if any are lead to do more with God’s urging,
we gladly accept in the Name of Elyon (The Most High God).
